Internet Safety Week

Our school marked Internet Safety Week with a range of talks and activities in every class and our final day assembly presented by 5th class and our Microsoft Ambassadors.

Hockey

Well done to the hockey team for playing so well in their past few games. They have made the school and community so proud.

Internet Safety Week

Our Green School Committee has been working really well over the past two years in the hope of securing our 9th Green Flag for our school on the theme of Global Citizenship Travel. Having promoted sustainable ways of traveling to and from school and active travel habits, they are planning on carrying out a review audit of numbers walking or scooting to school during the week of the Big Travel Challenge which happens from the 4th to the 8th of March. The Global Citizenship Travel theme is a revision theme for our school, as well as an opportunity to focus on four Sustainable Development Goals (SDGs) which are most relevant to the theme of Travel. Mrs Henry, our Green School Coordinator is working with the committee on completing the final stages of the application for the next green Flag

Upcoming Events

- Polling day, 8th of March
- Bank Holiday, 16th March
- Seachtain na Gaeilge: 11th – 15th March
- Wear Red Day 21st March
- Easter Holidays, 22nd of March at 11.45a.m. with school returning on the 8th of April.

Irish Dancing

Well done to four of our students, who competed in the Scottish Open Irish Championship, held in Glasgow Scotland. You made your school so proud!

School NEWSLETTER

FEBRUARY 2024

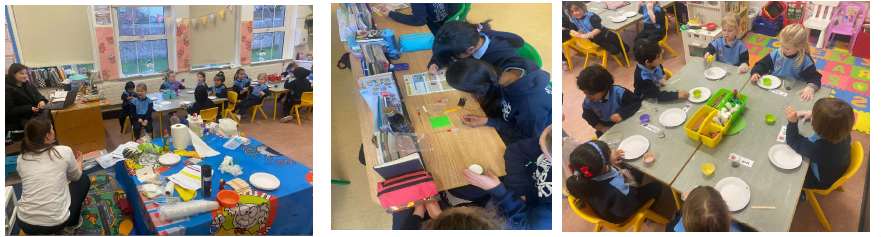

Voluntary Contribution

Thank you so much to all the parents and guardians who have contributed so generously to our school by way of the Voluntary Donations. We appreciate this so much, and all funds go into the successful running of our school, along with worthwhile initiatives for the benefit of all our pupils.

THANK YOU!

Engineering Week

What an amazing week we had celebrating Engineering week. The students completed many activities on engineering and the importance of engineering. There were workshops conducted by teachers and outside agencies. We had a wonderful assembly where we learned about many women in STEM.

ESB Science Blast

Good luck to all our 5th class students who will be participating in the ESB Science blast on the 4th of March.

Holy Sacraments

Well done to our 2nd class girls who are busily preparing for their First Reconciliation, which will take place on the 11th of March. Well done to our 6th class girls, who will celebrate their Service of Light on the 21st March. We wish them all the best.

Trips and Tours

Our Senior Infants attended the Lexicon, and our 6th class girls went to Airfield in Dundrum. Both were great trips, and lots learned.

Our Mission
